About us and the wines that we supply

We are an independent specialist wine merchant located near Guildford in Surrey. We specialise in the supply of wine and champagne to corporate and private customers. The wines that we list from around the world have been carefully selected for their quality, individuality and value for money. Many come from smaller “boutique” wineries whose wines are rarely found on the High Street. Listed on the following pages are the wines that we supply. There is no minimum order.

Corporate wine gifts

We specialise in innovative wine gifts for use in sales promotions and staff incentive programmes. We offer a **personalised label** service with a low minimum order quantity of 24 bottles. Gifts without personalisation can be delivered nationwide on a next working day basis or we can deliver to you in bulk for you to distribute yourselves.

Wine Tasting Events

We devise tutored wine tasting events and competitions for business customers which can be held at your office or a venue that you have chosen yourselves. Our wine tastings are particularly popular as pre-dinner or “ice breaking” activities.

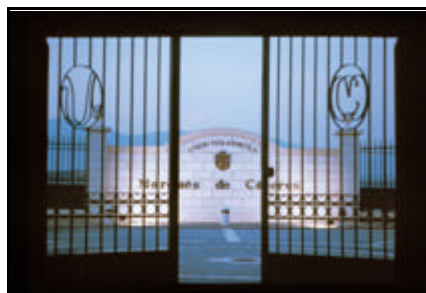

What Our Customers Say

Vintage Guide – Red Bordeaux

2005 The vintage of a lifetime?

2003 A classic vintage, especially in the Medoc. Those that controlled the heat made great wines.

2002 An early drinking vintage of high quality where the northern Medoc fared particularly well.

2001 A classical, elegant vintage which will age very well.

2000 A truly great vintage that can be consumed when young but will keep well. The best year since 1990.

1998 An excellent year which produced some quite satisfactory wines. Long lasting wines particularly St Emilion and Pomerol. The Medoc also flourished.

1997 These are charming wines, full of ripe, soft fragrant fruit. Few are long keepers, but rather like the 1992 vintage in Burgundy, will provide consistent drinking pleasure.

1996 A great vintage on both sides of the river. Enormously structured, with great concentration.

1995 A marvellous vintage, one of the best in the 1990's. While the great wines require years of cellaring, others are drinking extremely well now. Forward ripe fruit and classically balanced tannins.

Red Bordeaux

If you require wines from older vintages, Classed Growths including Chateau Leoville Barton, Chateau Lynch Bages, Chateau Talbot or would like to purchase wines “en primeur” please telephone for further information.
